

Bundled kit: Humax digital set-top box & Sarabec VHS closed caption decoder

Connection for Humax F2 FOXT Freeview set top box and Sarabec SVCR20 closed caption decoder to user's own TV and video.

Please refer to individual manufacturer's instructions for full operating details.

Note: The Sarabec closed caption decoder (.SVCR20) needs to be plugged in and switched on at the mains, even if not being used as caption decoder.
