Solutions to improve the quality of life

HearPlus 318w

amplified cordless telephone

-  loud ringer and handset volume
-  visual and vibrating ringer
-  3 direct memories

An exceptional cordless telephone not only for people with impaired hearing but also for anyone who appreciates a handset that is easier to lift, hold and operate.

The ergonomically designed handset is easily lifted from and returned to the base unit and features an easily operated keypad, high contrast display and comfortable grip size.

There are also three keys for direct dialling, a feature seldom found on cordless phones.
